February is Pet Dental Month!

We are kicking off dental month early! Now through March any pet that receives a dental cleaning will receive a free 14 count box of Oravet and a special dental treat bag!

Do you have an itchy dog? Tiger Tails Animal Hospital is currently enrolling dogs to participate in a clinical trial for a product for the management of canine atopic dermatitis. Your dog might be eligible for participation if he/she has inflamed, itchy skin, does not have fleas or skin parasites, lives mostly indoors, and is on a stable diet.

If you feel your dog may qualify and you are interested in participating, please contact Caitlin at 770-817-9580 for more information.

Emergencies are scary and stressful for everyone, even the most trained and prepared people. [Learn more about what to include in your pet's first aid kit. . .](#)

Update on Tiger Tails Financial Policy

A \$100 deposit will be required for all surgeries and dentals scheduled. Deposits are applied to total cost of procedures. If the surgery is canceled or rescheduled prior to 7 days before the surgery date, the deposit will be applied to the new surgery date. Cancellations within 7 days of surgery will result in a non-refundable deposit. We are instituting this policy due to an increasing number of last-minute surgery cancellations. Thank you for understanding.
